

Response and Remarks

As required by the Examiner, the status of claim 4 is changed from "withdrawn" to "currently amended." Claim 4 is repeated and the amendment to claim 4 that was made on December 9, 2004 is again shown by underlining as required by the guidance provided by the Examiner (<http://www.uspto.gov/web/offices/pac/dapp/opla/preognotice/officeflyer.pdf>.) The underlining is provided again because the amendment to claim 4 was deemed non-compliant. This amendment was fully explained in the December 9, 2004 filing and such explanation is incorporated herein by reference. All other claims are repeated in "clean" form without any markings, as required by the guidance noted above, and the status of certain claims is changed from "currently amended" to "previously presented" to indicate that no amendments are made to these claims by this filing.

Summary of Interview with Examiner

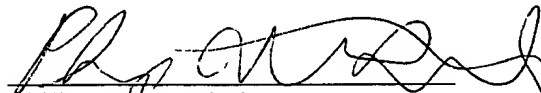

On May 19, 2005, a brief telephone interview (the "Interview") was conducted between the Examiner and the Applicant. The Applicant indicated that he had not received the Notice of Non-complaint Amendment sent by the Examiner, and the Examiner kindly faxed the Notice to the Applicant. It was also discovered that the USPTO had an old address for the Applicant and as a result, the Notice has not been received. The Applicant promised to check whether a change of correspondence address had been filed. The Examiner also explained that the Notice simply required a change in the status label for one claim, so a response could be filed quickly and easily. The Applicant thanks the Examiner for her time and guidance.

Change in Correspondence Address

On January 26, 2004, the Applicant filed a response to an office action along with forms PTO/SB/82, PTO/SB/81, and PTO/SB/96. These forms revoked all prior powers of attorney,

provided a new power of attorney, and provided a new correspondence address. For the Examiner's convenience, copies of these forms are attached to this filing, along with a copy of the associated transmittal letter showing a date stamp of January 26, 2004. The Applicant respectfully requests that the Examiner change the correspondence address accordingly.

Respectfully submitted,
